The Bible Crying Preachers' wife in Cambridge Maryland has an abusive husband

One hot summer night the Preachers brother hears her crying and goes into her bedroom to comfort and to pray with her. That one action of holding her in pray sparks a wicked relationship that they both love.

Their daily relationship over cherry wine in her bedroom was growing, but what happens when her husband starts to see his brother's relationship with his wife? How will The Bible Crying Preachers react when he finds out that the pair is praying together in his bedroom when he is out of town preaching?
